

LOW PLASTIC CABLE BUSHINGS - "HEYCO" SERIES -

ITEM: B 312-250 S NERE

Codice EZ: request the code from our sales office, **LOW codice Heyco:** 2810N.

Material: polyamide 6/6.

Color: black or white.

Use temperature: max +105°C

Flammability: flame retardant and self-extinguishing UL94-V2.

Features: these bushings have good resistance to chemicals and good electrical properties. They are used where the depth inside the mounting hole is shallow. They offer valid electrical and mechanical protection to cables, ropes and pipes. Thanks to the fastening teeth, these bushings snap into place and adapt to the thickness of the frame up to a maximum indicated in the table.

On request: for quantity, they can be supplied in other colors on sample.

The drawing is indicative and the proportions may not correspond to the table or real dimensions.
