

ADHESIVE CABLE HOLDER WITH CLIP

Material: polyamide 66.

Color: natural.

Use temperature: max +120°C

Flammability: flame retardant and self-extinguishing UL94-V2.

Features: these clips are suitable for easily tying wires and cables. They are reopenable and always reusable. To obtain an optimal seal it is recommended to stick them on clean and degreased surfaces.

On request: they are also available in the version without the adhesive base or with the coupling, for a quick installation in the holes.

The drawing is indicative and the proportions may not correspond to the table or real dimensions.
